About SUPER RAYS

2009

Stared in 2009

8000m²

Factory are: 8000 m²

Established in 2009, Changzhou Super Rays is a professional enterprise integrating R&D, precision manufacturing, sales, and service of high-performance automotive wheel accessories.

Officially recognized as a National High-Tech Enterprise in 2020, our product portfolio covers wheel nuts, wheel bolts, wheel locks, wheel spacers, adapters, hub centric rings, and tire valves.

Located in Changzhou, Jiangsu Province-at the heart of China's Yangtze River Delta-we enjoy superior logistical advantages by land, sea, and air, situated just a 45-minute high-speed train ride from Shanghai. Our modern manufacturing facility spans over 8,000 square meters and is fully equipped with 8 multi-station cold heading machines, 3 forging presses, over 80 CNC machines, 36 automatic tapping machines, and a multi-functional quality testing laboratory. This advanced setup allows us to achieve an annual production capacity of 70 million units.Backed by an experienced core production and QC team, we strictly operate under ISO 9001:2015 and IATF 16949:2016 quality management systems certified by TÜV Rheinland.

With strong OEM and ODM capabilities, Super Rays delivers high-quality wheel hardware and comprehensive supply chain solutions to global clients across North America, Europe, Southeast Asia, Australia, and beyond.

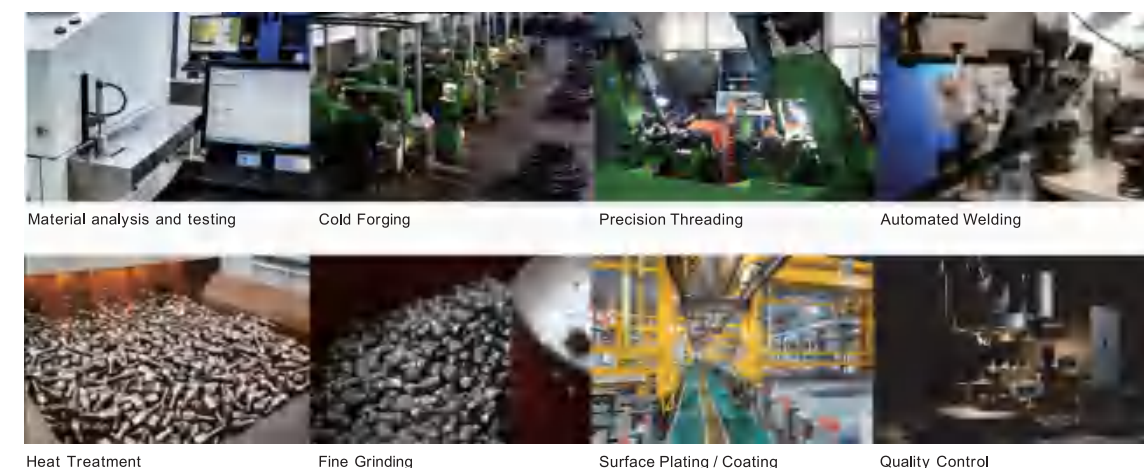

National High-tech Enterprise

Acquired the TÜV Rheinland 16949 Certification in 2021

Production Process

The company boasts a production area of more than 8,000 square meters,equipped with 8 multi-station cold heading machines, 3 forging punches, over 80 CNC machines, 36 automatic tapping machines, and a multi-functional quality monitoring laboratory.

Contents

PART	1	WHEEL NUTS	
		US MARKET WHEEL NUTS	P03-P06
